Rosary on the Borders - Belgium

*"There are two ways by which we can save the world: prayer and penance. So let us pray the rosary every day. Dear Father, Our Lady has now given a new efficacy to the rosary. Therefore, there is not one problem, as difficult as it may be, temporal or spiritual, concerning our personal life, the lives of the members of our family, the lives of religious communities or the lives of countries, there is not one problem that cannot be solved by the recitation of the rosary. With the recitation of the rosary, we shall save our souls, sanctify ourselves, we shall console Our Lord and obtain the salvation of many souls. "*
