

Belgium prays the rosary

WHY

One of the gravest crises of our history is affecting Belgium and the whole world. Let us join our efforts, pray the rosary and entrust all our problems to Our Lady. Let us ask Her help.

WHEN

As often as we can and, at least, once a week.

WHERE

We shall pray in our houses but also in some public places, in front of or inside our churches, in chapels, in all Belgian towns and villages, in hospitals, in nursing homes, in foster homes, ...

WHO

All those who care for their countries. Let us invite our family members, our friends, neighbours and acquaintances, ...

HOW

By praying the rosary and adding some songs (+/- 30 minutes)

PERIOD

As long as it will be necessary to obtain the restoration of peace and freedom that only God can give.

Rosary on the Borders - Belgium

"I am the Virgin conceived without sin"

"Pray, pray a lot"

"Never stop praying"

"I shall convert sinners"

"Do you love my Son ? Do you love Me ?"

"Then do penance for Me."

Our Lady of Beauraing (1932-1933)

"There are two ways by which we can save the world: prayer and penance. So let us pray the rosary every day. Dear Father, Our Lady has now given a new efficacy to the rosary. Therefore, there is not one problem, as difficult as it may be, temporal or spiritual, concerning our personal life, the lives of the members of our family, the lives of religious communities or the lives of countries, there is not one problem that cannot be solved by the recitation of the rosary. With the recitation of the rosary, we shall save our souls, sanctify ourselves, we shall console Our Lord and obtain the salvation of many souls. "
